We're pleased to produce your marching band video this year. Just a little about our videos . . . we use broadcast level equipment to bring you the best possible images and audio. The videos are from the pressbox perspective, digitally recorded and edited with titles. Visit our website at www.msgpr.com for more information or to order online.

Region 21, Area C (1A-3A) and NAMMB DVD's are available for past years.

Contest Films for "The Waymon Bullock Years" at Lufkin High School are available from the Lufkin Band Alumni Association. Please visit www.MSGbands.com
